Not sure what you're looking for?

The statements below will help you find the St. John's community and services that are right for you.

- I'm fine on my own, but I don't want to have to deal with home maintenance or chores like lawn care and snow removal.

LIVE LIFE WITHOUT HASSLES
- My health isn't too bad, but I need a little help with things like getting dressed and managing my medications. And I don't want to worry about cooking.

LIVE LIFE WITH A BIT OF HELP
- I have a planned surgery coming up, and I need a place to go afterwards where I can recover and do rehabilitation so I can get back home.

GET BACK TO WHAT YOU LOVE
- I live at home and my family and an aide take care of me, but I would love to go somewhere during the day where I can make new friends and participate in some activities.

ENJOY A GREAT DAY AWAY
- I have some health conditions that make it tough to do much on my own. I would feel better if there were someone around to help around the clock.
