## Celebrate special days whether you live far away or around the corner.

Let St. John's Foundation help you share your love when you can't be here to do it in person. St. John's celebration gifts provide you the opportunity to offer a loved one happy birthday, get well, happy holiday, "just because," or congratulatory wishes. Choose from an array of packages to send your special message. No matter how far away you are or what the occasion, we can help you brighten the day of a St. John's elder.

A portion of the proceeds support St. John's mission to enhance the lives of all St. John's elders through social programming, creative arts, recreation, wellness, and spiritual programs. Your gift helps elders embrace living at St. John's.

Please place your order at least five business days in advance of the delivery date. Packages are delivered Monday–Friday and are not delivered on holidays. Each gift comes with a personalized card.

Packages may also be ordered for staff or in larger quantities for an entire neighborhood. Please contact St. John's Foundation to assist with larger orders and staff recognition opportunities.
