

St. John's Family and Friends Council wants to show appreciation to employees.

*Friday, April 24, 2020 | 150 Highland Avenue | 7:00 p.m.*

Family, loved ones, and friends are invited to gather outside St. John's Home in the parking lot or across the street in Highland Park in a display of support and gratitude. We will be clapping, cheering, and honking to thank the staff for their continued dedication in the midst of COVID-19 to care for the residents of St. John's.
