

Thursday, January 28, 2021

Dear Resident,

As you may be aware, Governor Cuomo announced yesterday that our region is no longer in either the orange or yellow zone. These zones had the guidelines by which we were following in regards to social programming, activities, wellness, and transportation services. With the removal of these zones, we are able to make some adjustments to the above-listed activities and programs as follows below.

Effective Monday, February 8, 2021 the following will be in effect:

Transportation Services:

- Non-essential trips can resume by appointment.
- Limited bus capacity and social distancing guidelines will remain in place.
- Grocery trips will remain as is.
- Group outings to restaurants, programs, and events are still on hold.

Social Recreation:

- In-person group activities and programming will resume with limited capacity.
- The number of residents allowed at each program or activity will be based on the size of the room up to 25 residents.
- Social distancing and mask requirements at programs and activities will remain in place.

Wellness:

- In-person group wellness activities will resume with limited capacity.
- The number of residents allowed at wellness activities will be based on the size of the room and not to exceed 25 residents.
- Social distancing and mask requirements at wellness activities will remain in place.
- The pool will open for in-person classes with a limit of 10 residents per class.
- The pool will open for open swim when not in use for classes and not during scheduled cleaning times.

Please refer to your updated Monthly that will be delivered on Friday, February 5 for the current schedule of programs, activities, and wellness classes, some of which will require RSVPs to attend.

Lastly, there are no changes to the current guidelines for Dining Services. The Dining Room and Café will continue to be open at 50% occupancy with limited seating and guests are not permitted.

If you have any questions, please reach out to Dave Kunz at 242-7014 for Transportation Services; Jenn Kelley at 242-7025 for Social Recreation; and the Wellness Center or me at 760-7477.

Thank you

Tony Zaccaglino
Director of Operations
