December 4, 2022

Dear Family and Friends:

St. John's Illumination of Love is an annual, time-honored event to remember and honor our loved ones. Presented by St. John's Foundation, funds raised through the Illumination of Love provide for personal needs of residents who have limited financial means. Because of the generous support of donors, a resident might gain new adaptive clothing or shoes, new eyeglasses, an electric razor, headphones or other items in support of his or her hobbies. We thank you for making this possible.

St. John's Foundation is very grateful to all sponsors and individuals who contributed to the 2022 Illumination of Love and have once again created a successful result. We are pleased to announce that as of December 1, 2022, the Illumination of Love has raised **\$10,625!**

We endeavor to print correct recognition in this book and apologize for any errors or omissions. All gifts that were received by December 1, 2022 have been included. If you note an error, please contact the Foundation Office at 585-760-2464 or by email at [abailey@stjohnsliving.org](mailto:abailey@stjohnsliving.org). Tribute gifts are listed by the honoree's name, and again by the donor.

Our best wishes for a safe and happy holiday, and our heartfelt thanks for your kind gifts to St. John's.

Sincerely,

A handwritten signature in blue ink that reads 'Anne Mc Kenna'.
